

The regular monthly meeting was called to order at 11:30 a.m. at the Corn Patch Restaurant in Grimes by President Dick Hyde.

There were 7 current members and new member present.

Old business. Discussed the results of the quarterly meeting with guest and general consensus was that it was a positive event we need to continue.

New Business. WOA is going to assist with the mentorship dinner for the WOCS candidates from Iowa. This will be held on the 19th of July. Dick Hyde and Marv Peters will work the arrangements.

It was decided that WOA would again give a plaque to the top graduate from Iowa that is not recognized at Phase III.

Discussed delegates to National. It was decided that Julia Mosman and Tom White would attend as part of the PD program for the Iowa Guard. Discussion was held on if the chapter wanted to help sponsor another candidate. It was agreed to that we would. The monetary amount was not established at this meeting.

Much good food and fellowship was enjoyed by all. The next meeting will be the monthly meeting at the Corn Patch in Grimes on the 11th of July 2007 at 11:30 a.m.

Respectfully Submitted,

Marv Peters
Secretary
