

The regular monthly meeting was called to order at 11:30 a.m. at the Corn Patch Restaurant in Grimes by Secretary Marv Peters.

There were 10 current members and one guest.

Old business. Talked about the upcoming events being WOA professional development on the 18 & 19 of August and WOCS Graduation Recognition on the 19<sup>th</sup> of August. Coordinated with C Darrin Madole on making the plaque for the distinguished graduate for the course. Dick Hyde will make presentation on the 19<sup>th</sup> of August.

New Business. Talked about attendance the WOA conference on 15-19 October. Julia Mosman reported that the state will be able to fund one additional person for the conference as professional development. It was also decided that the chapter would support on attendee at the \$ 500.00 level. Dick Hyde is the logical choice if he elects to go since he is the president. For the military spot, if you are interested in attending please have a one page letter ready by the next meeting on why you would like to attend.

Motion for adjournment by Mosman. Meeting adjourned.

Much good food and fellowship was enjoyed by all. The next meeting will be the monthly meeting at the Corn Patch in Grimes on the 5<sup>th</sup> of September 2007 at 11:30 a.m.

Respectfully Submitted,

Marv Peters  
Secretary
