**OLD BUSINESS:**

The possibility of having an Armoured Security Vehicle in the Iowa State Fair from the UTES or MP company representing the Iowa Guard not as the Warrant Officer Association. We discussed having a static display at the fair. No M88 in the tractor pull, last time apparently the pulling sled was ruined because the M88 pulled it too fast.

**NEW BUSINESS:**

The association will send flowers to CW2 Brian Millers family to express our condolences for the loss of his son. Moved by CW2 Johnson, seconded by Mr. Hyde approved by all.

CW2 White mention he needed volunteers to drive vehicles and fire howiters at the Yankee Doodle Pop celebration the 2<sup>nd</sup> of July.

They are still checking on the requirements to hold a raffle. Ideas for a give away were a framed print of "Let's Go". The association needs to look into cooperate sponsorships? CW5 Peters will check the by laws.

The association needs a membership committee to contact individuals who's memberships have expired or have never been a member. Membership nomaniees are CW3 Lee and CW4 Hupp.

Officer swearing in for CW2 White, Thomas as Vice –President by CW5 Wynn.
