

Hawkeye Chapter 319

19 September 2009

Good afternoon, here are notes on the WOA meeting 2 September 09, at the Corn Patch.

Seven members were present at the meeting; WO Miller, Hill, Peters, Gillette, McKenzie, Morshead and White.

Discussions were on the Alumni day and the assistance of Terry Gillette, Don Lane, Melissa Johnson and Tom White for supporting and selling \$92.00 in coffee cups. Two retirees were interested in joining the association and the site and link was sent to one this morning and the other will be contacted through the Gold Star museum.

There is a need to get email out to the members on the Proxies, wanting to do an event in October (if possible) and a reminder of the meetings at the Corn Patch.

We also need to up-date the membership roster for the above correspondence.

At this time there is only 1 person going to the AMM in Utah, CW5 Marv Peters.

Again thank you to those that supported the Alumni day.

Respectfully submitted,
Melissa Johnson
Secretary
