

Monthly Meeting: 5 May 2010

The following topics and discussions were brought up at the meeting:

1. The raffle held at the Ice Breaker netted \$186.00 for the WOA fund. Mr. Terry Gillette was the winner of the print - Congratulations Mr. Gillette!
2. We are trying to get a list of Warrant Officers being deployed with the BCT this summer, so we can connect with their families after they deploy. Mr. Peters and Mr. Morshead will be at Camp Ripley with the warrants in June - they will try to have pizza with the warrants one night and gather information from them.
3. There are still plans that the WOA will set up a booth at the Alumni Day in September.
4. There are still plans to have a hayride this fall during one of our meetings.
5. Mr. Peters reported there is a new WOCS Class that started with their April drill at the RTI - there are 5 candidates (per Mr. Lyons, one candidate dropped out since the April drill). We will hold a mentorship dinner for them before they go to their 2-week annual training phase - a date in July will be determined for the dinner.
6. On Friday, 28 May, Mr. Tew will be working the Iowa National Guard Charity Golf Tournament. The WOA will sponsor a hole with the proceeds going to charity. Hopefully at the next WOA meeting Mr. Tew will be able to give us an update on the results.
7. The next chapter meeting will be held on Wednesday, 2 June 2010, 1130 hours, at the Corn Patch Restaurant in Grimes, Iowa.

Respectfully submitted,
Cathy S. Hill
Hawkeye Chapter Secretary
